

Global Perspectives, 2011, 256 pages, Ann Kelleher, Laura Klein, 0205894607,  
9780205894604, Pearson Education, 2011

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For global studies courses across the curriculum, Ann Kelleher and Laura Klein's Global Perspectives provides a broad analytical framework for understanding cultural, economic, environmental, and political issues. This brief multidisciplinary primer introduces the basic concepts needed to study global issues as well as the differing perspectives that scholars, policymakers, and individuals bring to these issues. Global Perspectives helps students make sense of short and long-term problems facing the world in the twenty-first century, historical and current events that led to and fuel these problems, and the consequences of their choices in an era of globalization.
