

Lots of Love and a Spanking!, 2005, 172 pages, Jamie Pritchett, 0965608727, 9780965608725, Little Palm Press, 2005

This book is for parents who want a close relationship with their children, and want their children to learn self-control, but don't know how to get there. Refuting the ineffective psycho-babble of today's discipline "experts," this book focuses on love and communication, and details the careful use of controlled spanking as a deterrent to misbehavior. Revised edition with lots of personal comments from happy customers.
